

**NOTICE INVITING GENERAL CONTRACTORS
TO PRE-QUALIFY TO BID**

PURPOSE. The Snyderville Basin Water Reclamation District (Owner of the Work or District) requests General Contractor Pre-qualification Proposals for construction of the East Canyon Trunk Sewer Rehabilitation Project. Bids will only be accepted from those Contractors that are pre-qualified by the Owner. No other Contractors will be eligible to bid on this Project. If there be any requirements and/or criteria the General Contractor cannot meet but elects to include a Subcontractor that meets those requirements/criteria, then the Subcontractor shall provide information conforming to those requirements/criteria. Any Subcontractor included shall remain with the General Contractor throughout the bidding process.

TENTATIVE PROJECT SCHEDULE. The tentative project schedule is as follows:

Pre-qualification documents available	September 30, 2022
Pre-qualification proposals due	October 21, 2022
Notification of qualified contractors	October 31, 2022
Project Advertisement and Bidding	October 31 to November 30, 2022
Project Construction	April 1 to October 1, 2023

DESCRIPTION OF WORK. The project consists of the rehabilitation of approximately 12,760 linear feet of 15 to 21-inch sewer pipe utilizing cured-in-place pipe (CIPP) using water, steam or UV curing methods, the rehabilitation of approximately 660 vertical feet of 48 to 72-inch sewer manholes, sewer bypass pumping, construction of 1 flume metering manhole structure and its power supply, and associated work in accordance with the Contract Documents.

OBTAINING CONTRACTOR PRE-QUALIFICATION DOCUMENT. An electronic copy of the document entitled, "*General Contractor Pre-qualification Documents for Construction of the Snyderville Basin Water Reclamation District East Canyon Trunk Sewer Rehabilitation Project*" dated September 30, 2022 may be obtained from the Engineer at no charge by contacting Steven Meyer with Bowen Collins & Associates at smeyer@bowencollins.com.

PROJECT ADMINISTRATION. All communications relative to this Work shall be directed to the Engineer prior to submittal of the Pre-qualification Information:

Bowen, Collins & Associates
154 East 14075 South
Draper, UT 84020
(801) 495-2224
Attention: Steven Meyer, P.E., Project Manager

SUBMITTAL PROCEDURE. The envelope enclosing the Pre-qualification Proposal shall be addressed and submitted to Snyderville Basin Water Reclamation District, 2800 Homestead Road, Park City, Utah 84098. The District will be accepting Pre-qualification Proposals until 2:00 pm MST on October 21, 2022. Late Pre-qualification Proposals will not be accepted. The envelope shall be plainly marked in the upper left-hand corner with the name and address of the Contractor and shall bear the words "Contractor Pre-qualification Documents for Construction of the East Canyon Trunk Sewer Rehabilitation Project". Two (2) complete hard copies of the Pre-qualification Proposal shall be submitted. Any documents failing to clearly present all the requested information or failing to

be in the requested format may be considered non-responsive and may be rejected. No electronic copies of the Pre-qualification Proposal will be accepted.

OWNER'S RIGHTS RESERVED. The Owner reserves the right to reject any or all Pre-qualification Proposals, to waive any informality in the pre-qualification process, and to make selection and pre-qualify Contractors and to modify the schedule and scope of the Project as it may best serve the interest of the Owner.

Owner: Kevin Berkley, P.E., District Engineer

Date: September 29, 2022
